It is located north of Stowlangtoft village, a few miles north east of Bury St Edmunds, near Ixworth. Please follow the directions on the arrival instructions for each cottage and use the codes and instructions which will be sent by email to gain access.

Four of the cottages (Coach House, Amherst House, Langetot and Stearn Cottage) are round a courtyard at Stowlangtoft Hall which is now a nursing home. Don't use the road to the hall but the next one north of that, as in the instructions. Stearn Cottage is the detached one at the south east corner of the courtyard.

The other two cottages are about a quarter of a mile north of the access road to the courtyard cottages. Entrance to Stow Manor is through the stone gateway clearly marked on the right, and the road into Shooting Lodge is shortly after that on the left. The owners' house is next to Shooting Lodge. Stow Manor includes a detached annexe. There is a large games room at Stow Manor and a tennis court.

Arrival time is from 3:00pm and arriving before it gets dark is recommended. Departure on 6th May is by 10:00am. Please leave everything clean and tidy and equipment back where it belongs. Return of a £100 security deposit for each cottage depends on this.

As usual the allocations of people to the accommodation units is just a suggestion, but there are no spare spaces this year so there is not much scope for variation. There are some sofa beds which could be used if need be. Towels and bedding are provided for everyone and beds will be made up for you.
